Forgotten Creek Fall Planting

November is planting month at the Forgotten Creek Natural Area. This year we will be planting native trees and shrubs on **Saturday, November 8, 2014 from 10am – Noon**. Volunteers make it happen!

If you are new to the neighborhood and would like to see the Forgotten Creek project from the inside, consider joining us for an hour or two.

No experience needed and all tools are supplied. Feel free to wear your own gloves or borrow ours.

Meet at the lower entrance, downhill from the corner of Kromer Ave & Bond St across from Depot Park Garden.
